No. 6533 Comptroller's office, Mysore
Bangalore, 31st January 1881

From

The Comptroller

To The Secretary to Chief Commr.
General Department.

Sir,

I have the honor with reference to section 61, rule 4 of the Civil Pension Code to report for the orders of the Chief Commissioner that Ramaswamy Iyengar, Amin of the Subordinate Judge's Court, Chitaldroog District who has been lately admitted for the first time to the service of the Mysore Government is reported in the enclosed Medical Certificate to be above the age of 25 years.

Apart from the question as to age it seems doubtful whether the admission of a new employé is permissible without the Chief Commr's special orders when men are available among those who have been thrown out of employ — with compensation pensions.

I have the honor to be
Sir,
Your most obedient Servt.

The L.G. therefore is pleased to direct D Es/mrs to draw up a list of all officials who are not by age or infirmity incapable of further work & who have been discharged from employment in any department in their Dists, to send me copy for the list to the Secty in the Genl Dept & to retain one copy in their own office and he directs further that unless that list is exhausted by the re-employment of all who

case, that no individual
on that list is fitted to
